A.R.S. 17-306

Importation, transportation, release or possession of live wildlife

No person shall import or transport into the state or sell, trade or release within the state or have in his possession any live wildlife except as authorized by the commission or as defined in title 3, chapter 16.

A.R.S. 17-331

NOTE:

Recent legislative changes (ARS 17-231, 17-251 and 17-305) conflict with current Commission Rule, listed on the next page. In these cases, state law preempts rule, so some restrictions identified in R12-4-303 are no longer in effect. As long as the weapon type is authorized to take the species of wildlife, the silencer, magazine capacity and possession restrictions are no longer active. The only exception to this will be the federal regulations such as those identified for migratory birds.
